PRINTED COLLECTION

— INSPIRED BY NATURE, DESIGNED BY GRACE —

Rooted in nature and refined with elegance, the Florescence Printed Collection brings a fresh take on floral prints—delicate, graceful, and full of charm.

Designed to mirror the beauty of blooming gardens, each piece captures the essence of femininity, growth, and natural charm.

Crafted in two luxurious finishes—soft Japanese voile for the Florescence Printed Square (114cm x 114cm) and smooth satin silk for the Florescence Printed Scarf (200cm x 70cm)—these hijabs drape effortlessly with a lightweight feel and elegant sheen.

Available in six captivating colours, each design brings timeless florals to life with a modern twist—perfect for adding a fresh, graceful touch to your daily wear or elevating a special occasion look.

Choose your bloom, choose your beauty.
