

SURI NEENJA VOLUMNIZER

Introducing the Suri Neenja Volumizer Inner – the perfect fusion of two innovative designs. This must-have inner combines the full coverage and face-flattering fit of the gorgeous volume-boosting effect.

Crafted from soft bamboo jersey, the Suri Neenja provides ultimate comfort, coolness and stretchability, making it ideal for various face shapes. The added flower puff detail made from crumple net at the back creates a beautiful bun shape under your hijab, giving you a volumized and elegant look. The cut of the inner not only provides full coverage up to the neck but also enhances your face shape, giving it a slimmer appearance.

With its ability to maintain shape even after washing, the Suri Neenja is a must-have essential for every hijabi, helping you achieve a neat, put-together look effortlessly.
